All apartments have a fully fitted kitchen, well designed bathrooms, private terraces, and access to prime amenities. It is expected that 70% of the home owners will used their apartment for investment/rental purposes and the remainder will use the apartment as a primary or secondary home.

All apartments feature floor-to-ceiling windows, fully blending the bright and spacious indoor spaces with the outdoor terraces. You see thoughtfully curated interiors with tailored finishes, while using natural and sustainable materials. Finished with the globally inspired furniture and natural colours it is clear that the architect has paid attention to details at every step. These aparments show elegance, comfort and functionality.

ABOUT THE RESORT
This high-end resort is built as a low-density resort. The project has also been planned and designed to meet high environmental standards and every effort is being made to reduce the carbon footprint whilst also maximising energy efficiency and reducing waste. Located on ..... of land where 74 apartments are being constructed divided over 4 block of 3 floors leaves lots of space for nature, the pool and surrounding garden and terraces. Located close to the ocean and near to all facilities and amenities Carvoeiro, Lagoa and the Central and West Algarve have to offer this is your chance of purchasing your holiday home with great rental potential.
