ABOUT THE RESORT
The villas have been especially designed to ensure comfortable year-round and winter living. Great care has been taken with the use of fully
insulated foundations, positioning the floors a full half metre above ground level. The properties have a high standard of full thermal insulation, featuring underfloor heating and air conditioning. Space has been meticulously planned to avoid wasting energy, with generously proportioned open-plan living spaces and less space apportioned to bedrooms, hence reducing heating and cooling costs. Upkeep of the communal
gardens and heated swimming pool is shared between all owners.
